

## Mercer Math Sudoku

|   |   |   |   |   |   |   |   |   |   |
|---|---|---|---|---|---|---|---|---|---|
| M | E | R | C | E | R | M | A | T | H |
|   | M |   |   | M |   |   |   | C |   |
| C |   | E |   |   | E |   | R |   | M |
|   |   | R |   |   | A |   |   | H | M |
| E | C |   |   | R |   | T | H |   |   |
|   |   | E | T |   | R |   |   | A | R |
| M | E |   | R | A |   |   | C |   |   |
| E |   | M |   | E |   |   | T |   | R |
|   | H |   |   |   | T |   |   | E |   |
|   | T |   |   |   |   |   |   |   | C |

Place a letter in each vacant cell of this 10-by-10 array so each row, each column, and each jigsaw region contains each of the letters in 'MERCER MATH'. Therefore, each row, column, and region will contain the letters 'M', 'E', and 'R' twice.
