MERCER UNIVERSITY is one of America’s oldest and most distinctive institutions of higher learning, offering rigorous programs that span the undergraduate liberal arts to doctoral-level degrees. Founded by early 19th century Baptists, Mercer — while no longer
formally denominationally affiliated — remains committed to an educational environment that embraces the historic Baptist principles of **intellectual and religious freedom**.

With more than 8,700 students enrolled in 12 schools and colleges, on major campuses in Macon and Atlanta; medical school sites in Macon, Savannah and Columbus; and at regional academic centers in Henry and Douglas counties, Mercer is ranked among the top tier of national research universities by *U.S. News & World Report*. Our nearly 80,000 alumni are making **important contributions to their professions and communities throughout Georgia, the Southeast and the world**.

While offering a breadth of programs found at much larger universities, Mercer maintains an intimate, student-focused culture more characteristic of smaller liberal arts colleges. Mercer’s uniqueness is found in the way the University integrates five defining components of its mission: Liberal Learning, Professional Knowledge, Discovery, Service to Humankind and Community.

College of Liberal Arts

MACON — The oldest and largest of the University’s academic units, the College of Liberal Arts is Mercer’s academic cornerstone. The College offers baccalaureate programs in the humanities, fine arts, natural sciences and social sciences, along with a variety of interdisciplinary options. Offering a multitude of pre-professional programs in health, law and theology, the College also provides students a strong liberal arts foundation. The core curriculum blends practical skills, such as critical thinking, clear writing and effective communication, along with a deep engagement with the diversity and richness of the peoples, faiths, cultures, and natural processes in the world. The College’s Great Books Program, which provides students the opportunity for focused study of classic writers and thinkers of the Western world, is recognized among the 21 Best Great Books Programs by Best College Reviews. The Integrative Program combines traditional disciplinary course requirements with three multidisciplinary integrative courses, which require students to wrestle with
challenging questions from multiple perspectives and prepare them to make meaningful contributions in a complicated and deeply interconnected world. Students in the College take advantage of a variety of study-abroad opportunities, both through faculty-led programs and those organized through the Mercer On Mission program. In 2015, Mercer was awarded a chapter of Phi Beta Kappa, the nation’s most prestigious academic honor society.

Degrees Offered — Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Science, Bachelor of Science in Health Science.

School of Law

Macon — Founded in 1873, Mercer University’s School of Law is one of the oldest law schools in the United States and the first in the state of Georgia accredited by the American Bar Association. The Law School is named after Walter F. George, a 1901 Mercer Law School graduate who became a justice of the Georgia State Supreme Court.
and later a U.S. Senator. Mercer Law School’s educational philosophy is based on a commitment to preparing students for high-quality, general practice in a day-to-day learning environment that is both supportive and professional. Mercer Law School is a two-time recipient of the prestigious ABA Gambrell Professionalism Award for excellence and innovation in ethics and professionalism throughout the curriculum. With an enrollment of approximately 395 students, taught by an outstanding faculty, Mercer Law School is nationally recognized for its programs in legal writing, advocacy training, experiential education and ethics and professionalism.

DEGREES OFFERED — Juris Doctor, Juris Doctor/Master of Business Administration (joint degree).

School of Business and Economics

MACON, ATLANTA AND CENTERS — Established in 1984, Mercer University’s School of Business and Economics is named for Eugene W. Stetson, a 1901 Mercer graduate and business pioneer who leveraged the first major buyout in corporate history. Over the past 80 years, Mercer has granted more than 12,000 business degrees, and many of its graduates hold senior leadership positions in companies around the world. Mercer’s business school delivers career-focused business education programs and develops entrepreneurial leaders and responsible global citizens.

Stetson School of Business and Economics is an accredited member of AACSB International - The Association to Advance Collegiate Schools of Business, which places it among the top five percent of business schools worldwide. Mercer’s business school has been recognized as one of the “Best Business Schools” in the United States by both The Princeton Review and U.S. News & World Report. It has been recognized among MBA Programs Where Grads Make More Money Than They Owe. The Evening MBA was included among the top 200 MBA programs in the country and the Online MBA was ranked among the top 100 Online MBA programs nationwide by U.S. News & World Report. In addition, CEO Magazine ranked the Online MBA No. 24 and the Professional MBA for Innovation No. 45 in its global rankings of online and executive MBA programs.

DEGREES OFFERED — Bachelor of Business Administration, Bachelor of Arts, Master of Business Administration (MBA), offered as full-time (one-year), evening, online and two-year, Health Care MBA, Innovation MBA, Master of Accountancy (MAcc), Master of Science in Business Analytics, Professional MBA for Innovation, Combined MACC/MBA, Combined Doctor of Pharmacy/MBA, Combined Doctor of Physical Therapy/MBA, Combined Juris Doctor/MBA and Combined Master of Divinity/MBA.
School of Engineering

Macon — Mercer’s innovative and academically challenging engineering and engineering-related programs provide students with a comprehensive education, featuring a solid foundation in mathematics and sciences, a core engineering curriculum, a range of courses in engineering specialties and a strong emphasis on communication technologies. The School of Engineering marked its 30th anniversary in 2015 and its undergraduate program is ranked 30th in the nation by U.S. News & World Report. Known for its breadth of instruction in its undergraduate program and its 4+1 integrated bachelor’s and master’s degree program, Mercer combines technical education with hands-on laboratory experience.

Degrees Offered — Bachelor of Science in Engineering with specialties in biomedical, civil, computer, electrical, environmental, industrial and mechanical engineering; Bachelor of Science (industrial management and technical communication); Master of Science in Engineering (biomedical, computer, electrical, engineering management, environmental, mechanical and software); Master of Science (environmental systems, software systems, technical communication management and technical management).

College of Education

Macon, Atlanta and Centers — Mercer’s Tift College of Education prepares more professional educators than any other private institution in Georgia. It offers baccalaureate and graduate degrees for teacher education, including initial certification and teacher advancement, and educational leadership. Tift College of Education offers programs approved
by the Georgia Professional Standards Commission. Guided by the conceptual framework of the “Transforming Educator,” the College supports those who aspire to grow professionally throughout their careers, while also seeking to transform the lives of students. Programs are offered on the Macon and Atlanta campuses, as well as regional academic centers in Douglas County and Henry County. In addition, the College offers some online and hybrid graduate-level programs.

Degrees Offered — Bachelor of Science in Education, Master of Arts in Teaching, Master of Education, Specialist in Education, Doctor of Philosophy. Non-degree certification and endorsement programs are also offered. The College also provides programs leading to teacher certification for students in the College of Liberal Arts and Townsend School of Music and for post-baccalaureate students.

School of Theology

Atlanta — Established in 1996, James and Carolyn McAfee School of Theology brings Jesse Mercer’s founding vision of providing students with a classical and theological education full circle as it prepares students for ministry in the church and beyond. McAfee shares Jesse Mercer’s concern that churches have pastor-leaders who understand Scripture and can clearly articulate their Christian beliefs. The School offers masters and doctoral degrees, along with several ministry concentrations. The innovative, fully-integrated curriculum is taught by nationally recognized scholars who are committed Christians. Along with a network of partner churches, McAfee is affiliated with the Cooperative Baptist Fellowship.

Degrees Offered — Master of Arts in Christian Ministry, Online Master of Arts in Christian Ministry, Master of Divinity, Master of Theological Studies, Doctor of Ministry; combined degrees: Master of Divinity/Master of Business
Administration, Master of Divinity/Master of Science in Clinical Mental Health Counseling, Master of Divinity/Master of Science in Organizational Leadership (nonprofit), Master of Arts in Christian Ministry/Master of Science in Organizational Leadership (nonprofit), Master of Theological Studies/Master of Science in Clinical Mental Health Counseling.

■ Penfield College

MACON, ATLANTA AND CENTERS — Mercer University’s Penfield College is committed to serving adult learners and currently enrolls more than 1,100 students. Undergraduate, graduate and certificate programs are offered to adult students seeking professional advancement into leadership roles in and beyond their communities. Educational programs support the needs of statistical high-growth and high-demand employment sectors and provide students with a distinctive, multidisciplinary curriculum that integrates theory and practice. Areas of study include counseling and human services, healthcare, leadership and administration, liberal arts, public safety and technology. Programs are offered on Mercer’s campuses in Atlanta and Macon, at regional academic centers in Douglas County and Henry County, and online.

DEGREES OFFERED — Bachelor of Arts, Bachelor of Science, Master of Science (M.S.), Combined M.S. in Clinical Mental Health Counseling/Master of Divinity, Combined M.S. in Organizational Leadership/Master of Divinity, Doctor of Philosophy. Non-degree pre-nursing coursework and industry-focused certificate programs also are offered.

■ School of Music

MACON — Townsend School of Music is nationally recognized for its artist faculty, award-winning students, wide range of performance ensembles and state-of-the-art facilities. Townsend offers a thorough and rigorous curriculum, providing a conservatory-quality music education within a
university environment. Students benefit from small class sizes and individual instruction from faculty who regularly perform on campus and at major national and international venues. Specialized music programs include the Robert McDuffie Center for Strings and the Townsend-McAfee Institute for Graduate Church Music Studies.

**Degrees Offered** — Bachelor of Music in Performance, Bachelor of Music Education, Bachelor of Music with Elective Studies in an Outside Field, Bachelor of Arts in Music, Master of Music in Church Music, Master of Music in Conducting, Master of Music in Performance, Master of Music in Collaborative Piano (vocal or instrumental).

**Mercer Health Sciences Center**

The Mercer Health Sciences Center, a multi-campus academic health center, encompasses the School of Medicine, College of Pharmacy, College of Nursing and College of Health Professions. The Health Sciences Center enrolls more than 2,000 students, employs 400 full-time faculty and staff and annually graduates more than 500 physicians, nurses and nurse educators, as well as family nurse practitioners, clinical nurse specialists, physician assistants, pharmacists, physical therapists, family therapists, public health professionals and biomedical scientists.

**School of Medicine**

**MACON, SAVANNAH AND COLUMBUS** — The School of Medicine was established in 1982 to educate physicians and health professionals to meet the primary care and healthcare needs of rural and medically underserved areas of Georgia.
The Mercer School of Medicine Doctor of Medicine program utilizes a problem-based education that provides early patient care experiences. The School’s academic environment fosters the development of clinical problem-solving and instills in each student an awareness of the place of the basic medical sciences in medical practice. The School of Medicine operates two four-year campuses. Following their second year, students participate in core clinical clerkships at the School’s primary teaching hospitals: Navicent Health and Coliseum Medical Center in Macon, Memorial University Medical Center in Savannah and The Midtown Medical Center and St. Francis Hospital in Columbus. Students also experience clinical and population health clerkships in rural areas of Georgia.

Other degree programs offered at the School of Medicine’s Macon campus include Master of Family Therapy, Master of Science in Biomedical Sciences and Master of Science in Preclinical Sciences. In Atlanta, the School of Medicine offers the Master of Family Therapy degree.

College of Pharmacy

Atlanta — The College of Pharmacy continues to build on its rich history, tradition of excellence and legacy of caring by offering quality degree programs that provide students with the necessary education and skills for their careers in pharmacy. Mercer is ranked among the top six private pharmacy schools in the United States by U.S. News & World Report. With an enrollment of more than 600 students and a distinguished faculty of scientists and clinicians, the College houses several centers focusing on research, teaching and learning. The College’s motto, “A Tradition of Excellence, A Legacy of Caring,” frames its philosophy of providing excellent academic programs in an environment where every student matters and every person counts.

Degrees Offered — Doctor of Pharmacy, Doctor of Philosophy, Doctor of Pharmacy/Doctor of Philosophy, Doctor of Pharmacy/Master of Business Administration, Doctor of Pharmacy/Master of Science in Health Informatics, Doctor of Pharmacy/Master of Public Health.

College of Nursing

Atlanta — Mercer’s nationally recognized Georgia Baptist College of Nursing, the oldest nursing program in Georgia, is grounded in the heritage of educating students to provide superior nursing care. All undergraduate nursing students are members of the National Student Nurses Association, thus providing them excellent leadership and professional development opportunities. Mercer’s distinguished nursing faculty are dedicated to the development of professional nurses committed to scholarship, leadership, practice, research and service within a culture of academic excellence.
Degrees Offered — Bachelor of Science in Nursing (BSN pre-licensure and RN-BSN Completion Track), Master of Science in Nursing (Family Nurse Practitioner and Adult Gerontology Acute Care Nurse Practitioner), Doctor of Nursing Practice and Doctor of Philosophy in nursing. Undergraduate students interested in applying have the opportunity to complete general education and prerequisite requirements in Macon, or at another accredited institution, and then apply to complete nursing coursework (the junior and senior years) in Atlanta.

College of Health Professions

The College of Health Professions is composed of five disciplines: physical therapy, physician assistant studies, public health, clinical psychology, and athletic training. In addition to its degree offerings, the College offers post-professional residencies and fellowships and operates an onsite physical therapy clinic. With an overall enrollment of more than 540 students, the College seeks to improve the health and quality of life of individuals and society through excellence in teaching, research and service.

Degrees Offered — Bachelor of Science in Public Health (Macon), Doctor of Physical Therapy (Atlanta), Master of Medical Science in Physician Assistant Studies (Atlanta), Master of Public Health (Atlanta, online), Doctor of Psychology (Atlanta), Master of Athletic Training (Macon), combined degrees in Doctor of Pharmacy/Master of Public Health, Doctor of Physical Therapy/Master of Business Administration, Doctor of Physical Therapy/Master of Public Health, Master of Medical Science/Master of Public Health, and Doctor of Psychology/Master of Public Health.

Mercer University Libraries

The mission of the Mercer University Libraries is to serve as learning-centered gateways of information resources through robust collections and innovative, technology-rich patron services to support the educational, research and service endeavors of the University community. The Mercer libraries offer a wide range of print, non-print and electronic resources, including large collections of electronic books and journals available to Mercerians from any location.

The Mercer University libraries are actively engaged in the academic enterprise through teaching research and information skills in the classroom, providing effective one-on-one research assistance, consulting with faculty on
designed research assignments and offering liaison support and activities to build strong ties between the library and the academic community.

The libraries offer computer support for research, writing and printing, as well as mixed study environments — soft seating gathering spots for meeting friends and quiet areas for individual work and group study rooms for collaborative work on projects.

Tift College Scholars
Mercer has partnered with the Tift College Alumnae Association to preserve the legacy of Tift College — a Baptist
women’s college in Forsyth that merged with Mercer in 1986 — through the Tift College Scholars Program. The program honors a select group of young women at Mercer with scholarships and inclusion in one of the University’s most distinguished scholastic organizations. A committee of Tift College alumnae interviews and selects the scholars from applicants who meet the University’s high academic standards. A Tift Scholar is known for her intellect, leadership abilities, values, commitment and dedication to the service of others. A Tift Scholar is awarded a bronze medallion, signifying her selection and participation in the program. Tift Scholars are an important part of the enduring legacy that began at Tift College more than 160 years ago.

International Programs

The Office of International Programs (OIP) advances global educational opportunities that inspire purposeful learning and engage Mercerians in communities worldwide. The department supports all forms of study abroad, services international students, visiting scholars and guests, manages international relationships and planning for safety and security abroad.

The English Language Institute, part of the OIP, provides linguistic development and cultural exploration for international visitors and non-native English speaking community members in the English Language Institute. The OIP serves all campuses of the University.

Mercer On Mission

Mercer On Mission offers transformational experiences for Mercer students through participation in high-impact, international service-learning opportunities. In 2019, Mercer On Mission teams will be traveling to the Dominican Republic, Georgia, Greece, Guyana, Honduras, India, Malawi, Mongolia, Peru, Rwanda, Slovakia, South Korea and Vietnam. The five-week summer program, designed for undergraduate students, includes two weeks of study on the Macon campus and three weeks abroad.

ROTC

The Mercer University ROTC unit was activated in 1947. Today, the program commissions officers into any of 16 basic U.S. Army branches and into the active Army, U.S. Army Reserve and Army National Guard. The military science classes, associated activities, and the ROTC basic courses are open to all students as electives without obligation or can be taken as a minor under most College of Liberal Arts majors for four
years. The courses aim to develop leadership and managerial potential, provide an understanding of the requirements and organization for national security and instill a strong sense of personal integrity and individual responsibility.

### The Executive Forum

Established in 1979, The Executive Forum of Mercer University is Georgia’s premier business enrichment program. An outreach program of the Stetson School of Business and Economics and the Office of University Advancement, the Forum is a resource for working professionals in Macon and Atlanta. The Forum provides an opportunity for its membership of more than 200 businesses, corporations, professional organizations and individuals to hear from some of the country’s most sought-after speakers while networking with other business professionals. Past speakers include Tom Ridge, Nancy Grace, Mara Liasson, Frank Luntz, Herman Cain, Anderson Cooper, Bob Dole, George Tenet, Bob Woodward, Juan Williams, Newt Gingrich, Dick Vitale, George Bodenheimer and Steve Forbes.

### Mercer Engineering Research Center

Mercer Engineering Research Center (MERC) is the nonprofit applied research operating unit of Mercer University. MERC’s core competencies include electrical, mechanical and electromechanical systems design, development and testing; complex system modeling and simulation; information systems technology; structural analysis; reverse engineering and modernization; industrial systems design; materials
testing; biomechanics and human factors; and cybersecurity.

MERC also offers internships for Mercer students. Interns work closely with MERC engineers and scientists in a broad range of areas supporting the execution of contracts. This opportunity allows students to obtain hands-on experience, adding depth to their education while gaining a better understanding of expertise provided to customers in solving real-world problems.

The Grand Opera House

The Grand Opera House, a performing arts center of Mercer University, is a historic, 1,000-seat theater located in downtown Macon. The Grand Opera House is Central Georgia’s sole presenter of professional touring Broadway performances. In addition to the Broadway Series and the GrandKids Arts Education Series that serves thousands of elementary, middle and high school students each year, The Grand presents concerts, comedy and dance, and hosts a variety of special events and performances. It is also the performance home of the Nutcracker of Middle Georgia and the Macon Civic Club Revue. In 2017, The Grand underwent part one of a massive renovation including new carpet, an enlarged loading dock and new seating. The second part of the renovation was completed in 2018 and includes a completely refurbished and expanded lobby area with two bars, enlarged restrooms and redesigned patron flow. These changes will improve patron experience and allow The Grand to continue to be a premier center for arts, entertainment and special events.

Mercer University Press

Mercer University Press has published more than 1,550 books since its establishment in 1979. It publishes approximately 30 to 32 new books each year in the areas of religion, philosophy, Southern history, regional studies and creative writing. The Press holds membership in the Association of University Presses.

University Center

The 230,000-square-foot University Center (UC) serves as the focal point of activity for students, faculty and staff on the Macon campus. Along with housing a full schedule of activities from varsity and intramural sports to wellness and recreation programs, the UC also serves as a place for social gatherings.

A major feature of the building is the 3,200-seat Hawkins Arena, home of the Mercer Bears basketball and volleyball
teams. Facilities include a fitness center, varsity athletic team rooms, athletic offices, Griffin B. Bell Board Room, Presidents Dining Room and Heritage Hall. The UC is also a great place to grab a quick snack or meal at The Farmers Market, or the newly renovated food court, featuring P.O.D. Express (Provisions on Demand), Panda Express and a full-service Chick-fil-A.

The Mercer Wellness Program at the UC offers fitness classes for all ability levels. Students, faculty and staff combine fitness and fun with cardio kickboxing, spin bike, yoga, aerobics, weight training and martial arts. An indoor track overlooks three intramural courts, and the well-equipped fitness center overlooks the indoor lap pool, where students can enjoy a swim or take an aqua aerobics class.

**University Athletics**

Mercer University is the only NCAA Division I private institution in Georgia and competes in the historic Southern Conference. In the 2017-2018 academic year, 76 percent of Mercer student-athletes achieved a GPA of 3.0 or better. The GPA for all student-athletes for the year was 3.434. Mercer athletes led the SoCon with 314 named to the Academic Honor Roll, including 31 who earned a 4.0 GPA. Mercer’s 18 intercollegiate teams include men’s baseball, basketball, cross country, football, golf, lacrosse, soccer and tennis; and women’s basketball, cross country, golf, lacrosse, soccer, softball, tennis, beach volleyball, track and volleyball. Other members of the Southern Conference include: the University of Tennessee at Chattanooga, East Tennessee State University, Furman University, the University of North Carolina at Greensboro, Samford University, The Citadel, Virginia Military Institute, Western Carolina University and Wofford College.
Alumni

Some 80,000 Mercer alumni, including graduates of Tift College, live in all 50 states and in 90 countries. The Mercer University Alumni Association, governed by a National Board of Directors and an Alumni Board of Directors for each college and school, seeks to promote the commitment of alumni to the University. The Association sponsors events each year, including Homecoming on the Macon campus and “Mercer Mingles” in cities where alumni live. A network of 47 local alumni chapters helps Mercerians stay connected in their hometowns.

Educational Partnership

ROBINS AIR FORCE BASE — In 1983, the Warner Robins Air Logistics Complex (the largest entity housed at Robins Air Force Base) and Mercer began discussions about the critical need for engineers at the Base. As a result, the University established the School of Engineering in 1985 and Mercer Engineering Research Center in 1987. The educational partnership was formally renewed in 2018 and now includes additional Mercer academic units and programs including the School of Business and Economics, Penfield College, and the Departments of Chemistry and Computer Science in the College of Liberal Arts.
